Engraves to Brass Colour

Detailed description: The image displays three sets of ballpoint pen specifications, each with three views (B, D, E) and a color legend. The first set features a red grid pattern and a 15mm engraving area, with a color legend of red, blue, and black. The second set features a blue grid pattern and a 40mm engraving area, with a color legend of blue and black. The third set features a green grid pattern and a 40mm engraving area, with a color legend of orange, red, green, blue, purple, and black. All pens have a grey barrel and a silver-colored clip. The text 'Engraves to Brass Colour' is present for each set. The overall layout is clean and professional, with clear labels and dimensions.
